Important Rules & Requirements

Booth Vendor Move-In

Upon arrival, please check in at the GES service desk or at the concours show office. Staff will show you your booth location and confirm move in logistics. Onsite Booth Contact: Trevor Trumbo; 714-732-8788 (cell)

Booth exhibitors can move in between 8 a.m. and 10 a.m. on Thursday, November 9. If you have a vehicle in your booth, vehicle move-in will take place from 2 p.m. until 5 p.m. on Wednesday, November 8. All booths must be completed by 11 a.m. on Thursday, November 9.

If you can hand-carry your items/product, you may set up your booth space on your own. Exhibitors are permitted to use their own carts but not pallet jacks. If you need assistance, GES can provide cartload service for up to three trips at \$50 each way (200 lbs. per trip). If your product exceeds the cartload allotment of 600 pounds total, you will be unloaded/reloaded by GES and charged for material handling services. The Cartload Service Order Form is available at www.SeattleAutoShow.com/Exhibitors.

Any materials shipped to the CenturyLink Field Event Center will be subject to handling charges. For details on shipping to show site, the material handling form is located in the GES kit on the web at www.SeattleAutoShow.com/Exhibitors.

If you need electric, please plan to order in advance to avoid show floor rates. The electrical order form is also located on the web at www.SeattleAutoShow.com.

Power Needs

NOTE: 24-Hour Power Needs to be Requested

In cooperation with CenturyLink Field Event Center, Edlen Exhibition Services has adopted “Green” policies in respect to both trade shows and exhibits. Edlen is required by CLFEC to turn off all exhibit hall power 30 minutes after the show closes each day and turn it back on 30 before show opens. Exhibitor participation is appreciated in turning off the power in your exhibit at the close of each day. **Power will be cut off to your booth unless you order 24-hour power. Edlen recommends that exhibitors shut off power to any devices in their exhibit at show closing, especially computers.**

If you require your power to be left on 24 hours a day, please be sure to mark this on your order form. If you have already placed your order with Edlen, you may send in a revised order to include 24-hour power to your order. Power is left on during show move-in to allow for uninterrupted power to work crews.

If you have any questions or concerns, please feel free to contact the office at (206) 781-2411 or Nora Lee at nlee@edlen.com.

Booth Vendor Move-Out

If you are unable to remove all display materials on Sunday evening, you must check with Show Management to make arrangements to re-enter the CLFEC and remove all materials **before noon on Monday**. Management is not responsible for the safety of items left in exhibit areas on Sunday night.
